

Catholic Teachers Guild of Toronto Membership Application Form

Mission Statement

The mission of the Catholic Teachers Guild is to support and strengthen the vocation of the teacher in the teaching tradition of the Catholic Church. This follows from a conviction that Catholic education is anchored in personal witness, not only in the Word proclaimed but also in the Word lived. We seek to support the vocation of the Catholic teacher through special events, lectures, study groups, and web-site. The Catholic Teachers Guild is the result of a collegial effort by a group of lay teachers.

Membership supports the Guild’s activities and entitles you to invitations to lectures, retreats, events, and special masses. Membership also allows you to nominate an individual for the Jean-Baptiste De La Salle award in addition to participating in the Annual General Meeting including running for a position and voting.
