

**CATHOLIC TEACHERS GUILD / YCAT MENTORSHIP PROGRAM 2018**  
**MENTEE FORM**

THANK YOU FOR YOUR INTEREST IN THE CATHOLIC TEACHERS GUILD MENTORSHIP PROGRAM!

The goal of this program is to provide young teachers in their first five years of teaching and teacher candidates with veteran Catholic educators who love their faith and have learned how to live it in their careers. Sometimes it can be a daunting task for a young Catholic teacher figuring how best to infuse Catholic faith in the teacher profession. This mentorship program is meant to help future teachers and new teachers bridge that gap with monthly meetings with a mentor teacher set up through the Catholic Teachers Guild.

NB: The understanding is to meet once a month during the regular academic year. Feel free to meet as frequently as needed. Further conversations between the mentor and mentee towards the end of the program can determine whether it would be helpful to continue the meetings in the future.

If a mentorship set up is not working for either the mentor or the mentee, this can be brought up by either the mentor or mentee. If mentorship is not working for one or both, it is certainly not expected that this continue. In this situation, Garrett Graham can be contacted and a new mentor can be found for the mentee.
